## Visit Oulu & Pohjola Route

**[www.visitoulu.fi](http://www.visitoulu.fi)**

Visit Oulu with Pohjola Route comprises of 9 destinations Hailuoto, Kalajoki, Kempele, Ii, Limika, Raahe, Rokua Geopark, Syöte and Oulu. Oulu is a port in the North West of Finland, below the Arctic Line and in the close proximity of Rovaniemi (3 hrs), Kemi (1.5 hrs) Ranua (2 hrs) and Kuusamo (3 hrs).

The best parts of Northern Finland can be found along the route, whatever the season. You've got urban city culture – and fascinating ice age formations that date back 10,000 years. You've got the southernmost fells in Finland as well as golden beaches. You'll see a stunning wetland with thousands of migrating birds and a rustic seaside town with a rich history. All this is complemented by the largest island in the Bay of Bothnia, only accessible by ferry; however, in the heart of winter you can drive over on an ice road that makes its way through an amazing sparkling white moon landscape.
